DILUTION RATIOS AND INSTRUCTIONS

JOB	MIXING	PROCEDURE
Walkways	8oz. (1 cup) DriveUp per gallon of HOT water in a bucket	<ul style="list-style-type: none"> • Pour onto walkway. Leave to soak for 5 minutes. Rinse.
Concrete & Asphalt	Full strength for heavy stains. Mix with equal amount of water for light stains.	Apply to dry pavement. DO NOT WET SURFACE WITH WATER FIRST. Use a plastic pump-up garden sprayer or sprinkler can for best economy. Leave to soak for 3 hours, or overnight if possible. No need to scrub. Hose off with water.
Equipment & General Degreasing	For heavy soils, mix a solution of 1/2 DriveUp and 1/2 water. For light soils, pour 4oz. of DriveUp into a spray bottle and fill with water.	Spray on. Wipe or hose off.
Quarry Tile Floors (Industrial Kitchen, Bathroom & Shower Tile)	Mix 1oz. DriveUp per gallon of water.	Damp mop floor during the day. Wet mop and scrub at closing, at least weekly. Rinse with clean HOT water for best results.
General Mopping for Concrete and Tile Floors	Add 1oz. DriveUp per gallon in a mop bucket.	Mop floor. Rinse with clean water for best results.

FOR USE ON:

GARAGE AND WORKSHOP EQUIPMENT

Tools, machinery, fittings, chrome, metals, floors, walls, work surfaces, engine blocks, oil separation units.

OUTDOOR / EXTERIOR

Parking lots, sidewalks, driveways, siding, roofing, dumpster areas, trash receptacles, gas pumps, building exteriors, pool areas, lawn mowers, algae covered items, asphalt, concrete, wooden decks.

FLOORS

Tile, ceramic, linoleum, porcelain, vinyl, concrete, quarry tile and stone.

HOUSEHOLD

Showers, tubs, appliances, laundry pre-soak, counter tops, sinks, microwaves, plastics, carpet.

FIRST AID

EYES: Immediately flush eyes with cool running water for at least 15 minutes. Remove any contact lenses before flushing. If irritation persists, call a physician.

IF SWALLOWED: DO NOT induce vomiting. Rinse mouth. Drink 1 to 2 glasses of milk or water. Call a physician.

SKIN CONTACT: Wash off with water.

PRECAUTIONS

Do not use if temperature will be below freezing (32°F).

Do not use on deteriorating pavement.

Do not apply directly to lawn or shrubs. Avoid use on aluminum, galvanized steel or soft metal surfaces.

Use caution. Surfaces may be slippery when wet.

Wear safety goggles and protective clothing when boiling-out fryers.

For industrial and institutional use only. As with all cleaning products follow regulations for discharge and disposal.

CAUTION: Avoid eye or prolonged skin contact. Contains alkaline salts.

CAUTION: May cause eye and skin irritation. See precautions. Keep away from children.
