#### HOUSEHOLD

Showers, tubs, appliances, laundry pre-soak, counter tops, sinks, microwaves, plastics, carpet.

#### FIRST AID

**EYES:** Immediately flush eyes with cool running water for at least 15 minutes. Remove any contact lenses before flushing. If irritation persists, call a physician.

**IF SWALLOWED:** DO NOT induce vomiting. Rinse mouth. Drink 1 to 2 glasses of milk or water. Call a physician.

**SKIN CONTACT:** Wash off with water.

#### PRECAUTIONS

Do not use if temperature will be below freezing (32°F).

Do not use on deteriorating pavement.

Do not apply directly to lawn or shrubs.

Avoid use on aluminum, galvanized steel or soft metal surfaces.

Use caution. Surfaces may be slippery when wet.

Wear safety goggles and protective clothing when boiling-out fryers.

For industrial and institutional use only.

As with all cleaning products follow regulations for discharge and disposal.

**CAUTION:** Avoid eye or prolonged skin contact. Contains alkaline salts.

CAUTION: May cause eye and skin irritation. See precautions. Keep away from children.
