Floor & Drain Cleaner

This versatile floor cleaner can be used with autoscrubbers or applied with a mop. No rinsing is required, saving you water and labor.

The non-corrosive cleaner can be used on most surfaces without risk of abrasion, and without cumbersome personal protection equipment. Removes grease and grime with ease!

Enhanced Employee Safety

No personal protection equipment required, when used as instructed. Cut grease for better traction, and avoid those terrible injuries caused by slip and fall.

Suitable for most surfaces

Use on vinyl and hardwood floors to dissolve the dirt buildup. If not cleaned, this dirt can hide the color and shine you worked so hard to achieve.

Use on hardwood, sealed marble, granite, vinyl, ceramic stone, tile and porcelain floors.

Reduced energy consumption

Less time to clean, saving you labor. Less water required, saving you money. Less energy required - the solution is just as effective when used with cold water.

Dosage Instructions

Routine cleaning - mix one packet in half full mop bucket. Apply with mop and leave to dry.

Extra strength cleaning - mix two packets in half full mop bucket. Apply with mop and leave to dry.

- Phosphorous free
